

From Producer to the World™

A TRUSTED
PROCESSOR AND
EXPORTER
OF PULSES
AND
SPECIALTY
CROPS

AGT Food and Ingredients (TSX:AGT), listed on the Toronto Stock Exchange in Canada, is a global leader in value-added processing of pulses, grains, staple foods and ingredients for export and domestic markets. AGT Foods was founded on the principle '*From Producer to the World*', buying pulses, grains and specialty crops from farmers around its facilities in Canada, Turkey, the U.S., Australia, China and South Africa and processing and exporting its non-GMO, gluten-free and non-allergenic pulses and milled durum wheat products to over 120 countries around the world.

AGT Foods is headquartered in Saskatchewan, Canada — the heart of Canada's largest production area for pulse and durum crops, with production facilities across Western Canada through its Saskcan brand that feature cleaning, calibration, peeling, splitting, colour sorting and bulk loading on a full line of pulses, grains, staple foods, ingredients and retail canned and dry-pack products. AGT Foods also produces a full range of PulsePlus™ food ingredients through its pulse ingredient production facility in the United States, and provides high-quality durum wheat from its handling facilities in west central Saskatchewan.

Other operations are located in major pulse and grain producing origins including the Arbel Group in Turkey, AGT Foods Australia in Australia, AGT (Tianjin) Import & Export Co. Ltd. in China, AGT Foods Africa in South Africa, AGT Foods India in India and AGT Poortman with sales offices in Europe. AGT Foods products are available in canned and dry small pack form at retailers across Canada and in many parts of the U.S. through its AGT Foods Retail Division.

AGT Foods, through the merchandising activities of its global operations, reaches producers all over Canada, the U.S., Turkey, Australia, Russia, China and South Africa and customers across the globe. Major regional markets include the Indian subcontinent, the Middle East, North Africa, North and South America and Europe. In many of these regions, pulses are a major consumption source for protein.

KING RED LENTIL

AGT Foods is proud to offer the **King Red™ Lentil**, the biggest and boldest lentil in the world. Available exclusively through AGT Foods' Saskcan brand as split and football, the King Red is the largest red lentil in the market today. With a size approximately 30% larger than traditional red split lentils, the sharply tapered edges on the King Red seed provide a clean split look ideal for quality-conscious markets. The King Red's extra bold sizing and bright red colour after polishing provide potential for market premiums and make the King Red stand above all others as the true "king of red lentils".

THE
**BIGGEST,
BOLDEST
RED SPLIT
LENTIL IN THE
WORLD**

The King Red Lentil is a unique product in the global pulse industry, creating new opportunities in bold red split lentil markets around the world. Offered as Sortex split or football quality, the King Red Lentil is packaged in a premium-quality 25 kilogram laminated polypropylene bag. Premium quality shines through in all aspects of the King Red Lentil.

B90 CHICKPEA

AGT Foods is proud to offer the **B90 Chickpea**, the preferred chickpea for canners and hummus manufacturers around the world. Available exclusively through AGT Foods' Saskcan brand, the B90 Chickpea is one of the best-processing chickpeas in the market today, featuring unique hydration properties that plump to an attractive size while maintaining the B90's firmness and deep colour.

THE
**PREFERRED
CHICKPEA**

The B90 Chickpea features a condensed size that quickly expands to the internationally preferred calibre when hydrated, allowing buyers to ship greater volumes of product at a more efficient cost than larger-calibre varieties. The B90's smooth, dry appearance expands to take on the traditional appearance and shape of kabuli chickpeas when hydrated, a feature unique to the B90 Chickpea. Consumers favour the B90's richer and sweeter taste and impressive pearly colour, making it the preferred chickpea in the international marketplace.

The B90 Chickpea is offered in Sortex quality and is packaged in a premium quality 25 or 50 kilogram laminated polypropylene bag.

MALIK FABA BEAN

AGT Foods is proud to offer the **Malik Faba Bean**, the best-tasting faba bean in the world. Available exclusively through AGT Foods' Saskcan brand, the Malik Faba Bean is a quality, protein-packed bean with an excellent nutritional profile. A quality source of essential nutrients, faba beans are one of the most ancient plants in cultivation today and a traditional favourite around the world.

A
**TRADITIONAL
SOURCE OF
PROTEIN**

The Malik Faba Bean features an attractive large size and a dense, meaty texture preferred by consumers around the world. They are nutrient-rich, heart-healthy, low in fat and high in protein and fibre, making them one of the most versatile food sources available today.

The Malik Faba Bean is offered in Sortex quality and is packaged in a premium quality 25 or 50 kilogram laminated polypropylene bag.
