

From Producer to the World™

## CO-MANUFACTURING AND PACKAGING

### AGT FOODS ABOUT AGT FOODS

AGT Foods is a global leader in value-added processing of pulses and staple foods and a leading supplier of ingredients derived from pulses, including flours, proteins, fibers and starches, for premium food markets and food companies around the globe.

At our flagship ingredient production facility in Minot, ND, USA, we produce **nutritious, non-GMO, gluten-free, allergen-reduced** and **plant-based pulse ingredient products**, which are then extruded into high-quality **pasta products** for retail and foodservice markets.

AGT Foods offers a full range of **co-manufacturing and packaging solutions** to fit the needs of our clients, including **private label production, custom product formulations, bulk product offerings** and more. We provide **quality solutions** for the global food marketplace.

### VERTICALLY INTEGRATED

AGT Foods sources crops from nearby farmers, processes them locally, and produces quality finished products in our own facilities, ensuring quality products and controlled costs.

### CLEAN LABEL PRODUCTS

AGT Foods' facilities are certified by leading industry bodies, including FSC 22000, Organic Certified, Gluten-Free, Non-GMO, Kosher, Halal and more. We produce **clean label** products for our customers.
