

From Producer to the World™

AGT ABOUT AGT FOODS

AGT Foods is a leading manufacturer of plant-based ingredients for premium markets and food companies around the world. From our facilities in Minot, ND, USA and Regina, SK, Canada, we produce nutritious, non-GMO, gluten-free and non-allergenic ingredient products, including pulse flours, proteins, fibres, V-6000™, de flavoured flours and crumb, as well as extruded products such as texturized plant protein (TPP) and gluten-free pasta. We provide quality solutions for the global food marketplace.

PULSE TEXTURIZED PLANT PROTEIN (TPP)

Texturized Plant Protein (TPP) is made of the protein fraction of dehulled pulses, including peas and faba beans, which has been texturized into a finished product ready for any food formulation.

TPP is a 100% plant-based solution for meat replacement and extension applications, snack foods, and other unique products for mainstream and alternative markets.

- 100% pea or faba bean protein
- Protein content ranging from 60-80%
- Clean, neutral taste compatible with all flavour profiles
- Meat-like texture and appearance
- Sustainable
- Available in a variety of particle sizes to fit any application
- Water and oil retention
- Low in fat

- 100% Plant-Based • Gluten-Free • Non-GMO • Clean Label
- Cholesterol Free • Allergen-Reduced • Halal • Kosher
